

NORTHERN RAID 2021
SATURDAY 24TH APRIL
(ANZAC DAY IS SUNDAY)

This year's event will be of a similar format to last year's enjoyable rally. The rally will start from and finish at our club rooms. We have simplified the rally to encourage those less experienced to come and join in the competition on the day. This rally is all on sealed roads and will have only 1 timed section and only 1 short straight line navigation section, with the usual questions and silent checks on route.

We will of course have a touring route for those who perhaps enjoy a more relaxed day of sight seeing.

Meet: At NSVCC club rooms at 10 a.m. for a short morning tea. Club rooms will be open at 9.30 a.m.

Cars will get away after a short briefing at 10.45.

We will be stopping for lunch on route at the North Harbour Sports and Country Club (De-Hot Bar and Grill—prepaid with your entry form.)

After lunch we will continue on stage 2 of our rally which will lead you back to the club rooms around 3.30 p.m.

We will have a relaxed social evening tour of our sheds and dinner will be served around 5.30 followed by the prize giving.

We certainly hope you can join us on this Main Calendar Event, to have an enjoyable day's motoring and a friendly social evening and meal.

Remember the winner does not have to plot next year's rally—so please come along and support the branch and give it a go!!!!

NORTH SHORE BRANCH—NORTHERN RAID
